Hi Robert,

This event is not in our Council District and do not have jurisdiction. Who over at Rec and Parks and CD 1 have you been working with regarding the Soap Box race over at the park?

We would recommend reaching out to the Citizens Committee to Save Elysian Park. Your main point of contact is Phil Murphy (ccd), there next meeting is this upcoming Wednesday from 7pm - 8pm at Barlow Hospital, 2000 Stadium Way. If you can attend it they should be able to get you on the agenda to further discuss the event.

Let me know if you have any questions.

Hi Dan,

Hope all is well.

I wanted to touch base regarding the Red Bull Soapbox Race that we are producing on Sunday August 20th.

The venue for the event is not in your district but wanted to be a friendly neighbor since it does fall on the border.

Location: Elysian Park across from Dodger Stadium. — Please see attached layout of the park and venue.

Hours: 10:30am-4pm

Parking: We have rented the parking lots within Dodger Stadium.

This is a free to the public event.

We are working on the planning of this event with Mayors Office, CD1, Elysian Park, Dodger Stadium and all relevant city depts.

There are no street closures for this event except for what is inside the park. However, Ashley will be doing her usual "community outreach" notifying everyone about the event.

Let me know if you would like to schedule a time to meet and review further.

Thank you,
